

**P5 LEGAL
WALK IN SERVICE – TERMS OF SERVICE**

I understand and agree that:

- **the walk in service is not intended to address complex legal issues, it is possible that after meeting with a lawyer at P5 Legal my legal question/issue will not be answered/resolved. If my legal question/issue cannot be answered/resolved after the initial meeting, I may decide to retain P5 Legal, however, I am under no obligation to do so. In addition, P5 Legal is under no obligation to continue providing legal services to me after my initial meeting.**
- **if my legal question/ issue involves a dispute with a person or business previously represented by P5 Legal, Massachusetts code of practice for lawyers would consider this a conflict of interest and P5 Legal would need my informed consent, in writing, to continue with the meeting. It is possible, that even with my consent, P5 Legal may not be able to continue with the meeting.**
- **payment is expected at the time the walk in legal service is provided.**

I have read the terms and I understand and agree to the terms;
